Dear Parents/Guardians:

At the beginning of each school year school districts must inform parents of each student attending a Title I, Part A School of their right to request information about the professional qualifications of both the teachers and the paraprofessionals who teach and work with their children.

I am proud to inform you that every teacher and paraprofessional at Riverside Elementary School is "Highly Qualified" to teach your child(ren).

If there is a personnel change that results in your child attending a class that is not instructed by a "Highly Qualified" teacher or paraprofessional, you will be notified in writing. Further information is available about what defines a "Highly Qualified" teacher at <http://www.nj.gov/education/>. If you have any further questions, you may contact the building principal or my office at (856) 461-1255, ext. 1111.

Sincerely yours,

Robin A. Ehrich
Superintendent of Schools
